First Choice TREE SERVICE

Dear Prospective Client,

Thank you for taking the time to review our presentation booklet. Considerable effort went into highlighting key aspects and features that underscore our commitment to delivering unparalleled services for our valued customers. For more detailed insights, feel free to explore our website or reach out to our team with any questions.

First Choice Tree Service takes immense pride in being a locally owned and operated establishment, a pillar of the Las Vegas Valley since 1989. What began as a venture solely focused on landscaping evolved into a mission to safeguard our urban forestry and its surroundings. Our dedicated team of skilled professionals, aligned with this vision, has been instrumental in fostering healthy, sustainable landscapes over the years.

In our pursuit of excellence and safety, we stand as a trustworthy, licensed, and insured entity. Our certification through the International Society of Arboriculture (I.S.A.) and full accreditation through the Tree Care Industry Association (T.C.I.A.) attest to our unwavering commitment to quality. Moreover, our decades-long presence in the industry sets us apart from our competitors, symbolizing stability, reliability, and a proven track record.

Choosing First Choice Tree Service means opting for a partner deeply rooted in experience, expertise, and a genuine passion for nurturing landscapes and trees. We are honored to be under consideration for your landscape and tree care service needs.

Always Your BEST Choice!

Respectfully,

Anthony Valenti

Owner, President of First Choice Tree Service
ISA Certified Arborist WE-7531A, CTSP #918

WHY FIRST CHOICE?

One-Stop-Shop:

✓ Tree & Transplant Division

Led by ISA Certified Arborists, our skilled tree division has no problem handling routine tree trimming or complex structural pruning. We also specialize in palm pruning, tree removals, tree relocation and salvage, and so much more.

✓ Plant Health Care

Our certified spray techs can help treat for pests, apply weed control, and several types of fertilization applications safely and effectively.

✓ HOA & Commercial Grounds Maintenance

Specializing in commercial properties, HOA communities, high-profile resorts and golf course country clubs, we can tailor a program designed to meet your specific needs.

✓ Landscape Design & Construction

Elevate your outdoor space with our team of skilled and talented landscapers who specialize in crafting landscapes tailored to your project's unique vision. Already have a design in mind? Trust our experts to flawlessly bring it to life.

✓ Large-Tree & Palm Nursery

Our onsite Large-Tree Nursery offers a variety of mature trees that are sure to elevate your landscape instantly. Contact us to arrange an appointment to see our inventory.

Accreditation & Safety Preparedness:

✓ ISA Certified Arborists

Certified by the International Society of Arboriculture (ISA), our arborists achieve a high level of knowledge in the art and science of tree care by passing a comprehensive examination and continuing yearly education requirements.

✓ TCIA Accredited Since 2009

A one of a kind accreditation that gives consumers peace of mind when it comes to tree care services and safety. We are also the only tree company in Nevada with TWO Certified Treecare Safety Professionals (CTSP).

✓ SNWA SmartStart Contractor

As a certified Water Smart Contractor, we're authorized by the Water Authority to conduct pre-conversion site inspections and pre-qualify your project. Reach out to learn more about how our services can benefit you!

✓ SLI Safety Certified

Safety Leadership Innovators, LLC. (SLI) offers customized safety training programs, addressing industry-specific risks. First Choice certifications include Proper Tree Rigging, Electrical Hazards Awareness Program (EHAP), Aerial Rescue Training, and more.
